

QUESTIONS TO CONSIDER

Do you have concerns about your
child's development?

Does your child have
difficulty communicating?

Is your child struggling
with academics?

Is reading a challenge
for your child?

Are you concerned about
your child's sensory system
or motor skills?

Does your child have
a hearing loss?

Have your child's teachers
recommended achievement or
psycho-educational testing?

Are you interested in test preparation
courses for your child?
