

Make Your Mark on The River School!

Buy a Tile!

You can commemorate your support of The River School with the purchase of a ceramic tile which will be displayed in the hallway first floor of the school where the renovation took place. The proceeds from these tiles help support the cost of renovating the Arts and Sciences spaces on the first and second floors last year.

The cost is \$150 per tile. The 6" x 6" tile will feature your name or you can designate the tile in memory or honor of someone special. If you have made or intend to make a gift of \$150 or greater, you will receive a complimentary tile.
