

THE
RIVER
SCHOOL

June 29, 2010

Dear River School Parents,

As another happy and successful school year comes to a close, I want to thank all of the parents who have contributed their time and energy to The River School Parents Association (RSPA). It has been a fantastic year, and we are fortunate to have such supportive parents.

With another good year behind us, it's time again to plan and organize for the 2010-2011 school year. We ask that you take a look at the attached list of RSPA volunteer opportunities and think about how you might like to be involved in the upcoming school year.

There are many different ways to get involved with the RSPA and each committee has different levels of time commitments. Whether you have a green thumb, a knack for party planning or a head for numbers, there's an opportunity for you to use your skills and have fun while getting more involved with the school. After you indicate the committees in which you are interested, the committee chairs will happily work with you to arrange specific volunteer activities that will fit within your schedule.

Another way to be involved with the RSPA is to sign up to be a room parent for your child's classroom. Room parents form the core of the RSPA and are critical to its success. Serving as a room parent provides an opportunity to get to know your child's teachers even better and to have an impact on his/her classroom.

This year we are instituting a new online system for RSPA committee sign-ups. Please take a moment to review the list of volunteer opportunities and sign up using our online survey.

The RSPA looks forward to your participation in many of our wonderful committees during the 2010 – 2011 school year! Please feel free to contact me with any questions or comments.

Sincerely,

Jennifer Frederick
2010-2011 RSPA President
